GRADUATE AMBASSADORS

Graduate Ambassadors are students who have completed a degree at Worcester and are now studying for a postgraduate degree. They are a mix of students from a wide range of backgrounds and are passionate about their subjects. They are also passionate about their university and want to help other students get the most out of their experience.

SCHOOL & COLLEGE FEEDBACK

“ This was an excellent visit (all previous visits have also been highly relevant and beneficial for our Access students) and was well informed, highly relevant with the learners able to take away a great range of resources and information to help with their university finance applications.”

- HEREFORDSHIRE AND LUDLOW

“Organised efficient and friendly team. Flexible and helpful.”

- BIRMINGHAM METROPOLITAN COLLEGE

“Really motivated by the speakers. Excellent use of two speakers with two very different backgrounds. For some of our students they have no one who can talk to them (other than teachers) about what uni is like.”

- THE BAVERSTOCK ACADEMY

“Motivating and informative.”

- TELFORD COLLEGE OF ARTS AND TECHNOLOGY
